Dear Members of the Faculty Association;

We thank each of the many members who attended our information sessions held on 23 December 2014 and 5 January 2015. The level of attendance shows how attentive you continue to be to our contract negotiations.

We want to ensure that each of our members has the opportunity to make an informed decision when they vote in the upcoming strike vote on 15 January 2015. Whether or not you were able to attend the meetings, we have made available to all of you the sheet of FAQs that was handed out at our meetings, and a PDF of the slide show we presented at those meetings. Those provide the information you need to make a decision. Both can easily be found by going to the UNBC FA's website at <http://unbcfa.ca/>. Just click on the "Faculty Negotiations" tab and find the documents.

With all best wishes of the UNBC FA's bargaining team,

Ted Binnema
Chief Negotiator
